Re: FEC Letter dated November 5, 2008; Amended May Monthly Report (04/01/08-04/30/08)

Dear Ms. Rocco:

1. As a result of a previous FEC letter, we have amended all reports from the 2008 February Monthly Report through 2008 Pre-General Election Report. The totals listed on lines 21(b), 21(c), 30(b) and 30(c) in Column B are now correct for the Amended May Monthly Report, FEC-382971.

2. The Amended May Monthly Report, FEC-382971, discloses a schedule H2 as a "new ratio". This was a data entry oversight using our campaign finance software, and staff has worked with our vendor to better understand the software and prevent future errors.

Sincerely,

Doug Robertson
